

CAMP GRANT FUGITIVES MAY BE IN CENTRAL ILLINOIS

FIVE DAYS WITHOUT
FOOD OR WATER IN
REFRIGERATOR CARStranger, Almost Dead, is
Found by Rock Falls
Mill Employees

A man who gives his name as Al Campbell and his residence as Chicago, where he states he has a wife and children living at a hotel, was found almost dead in a sealed car at the Rock Falls paper mill Friday morning. With face presenting the pallor of death, eyes sunk deep in his head, pulse beat almost imperceptible, clothing damp with moisture and shoes covered with mildew, the stranger presented a ghastly appearance to paper mill employees when they opened the refrigerator car.

Campbell was too weak to talk when found, but he was given medical attention and food, and later was able to tell his story. From the meagre information he gave Rock Falls authorities it is estimated that he had been in the car at least five days and possibly longer without food or water. He stated that he got in the car at Detroit, Mich., but this statement is doubted owing to the fact that the seals on the car which was shipped from Canada, were intact. The last place the car was open, it is believed, en route to Rock Falls was at Windsor, Canada, where the government duty inspectors were located. And if the man climbed into the car at that place it is assured that he had been confined there for a longer period than five days. And if the stranger got in the car when it left the Pulp Company's plant, he had been there for over three weeks as the Rock Falls Box Board Co. received the invoice of the material about the first of June, indicating that the shipment had been made at that time.

The refrigerator car is almost air tight and the only opening why the man had lived, is because the pulp had so much moisture, which would tend to be absorbed by his body and prolong his life under the conditions.

Brotherhoods Not
Alarmed by Strikes
in Various Centers

By Associated Press Leased Wire
Chicago, June 19.—Reports of railroad men affiliating with the Chicago Yardmen's Association walking out in several widely separated localities do not indicate any general resumption of the nation wide railroad strike, according to Vice President Whitney of the Brotherhood of Railway Trainmen.

In addition to strikes reported today at Philadelphia and Burlington, Iowa, 22 men employed by the Chicago & Northwestern road walked out yesterday at Mendon, Ill., in the coal mining district near St. Louis.

Mr. Whitney criticized the decision in the wage increase cases, hearing of which was recently completed here.

Railroad officials here were not alarmed by the new strikes they said. At the offices of the Chicago, Burlington & Quincy, it was said that the men who quit work at Burlington were old employees who did not join the April strike.

Switchmen in Iowa
R. R. Center Strike

By Associated Press Leased Wire
Burlington, Ia., June 19.—Eighty-one switchmen employed by the C. & Q. here walked out at 2:30 o'clock this morning.

The men are members of the Chicago Yardmen's Association and assert the strike will be general over the system before night. The men are demanding a dollar an hour for foremen and 95 cents for helpers.

RESUMED IN EAST

By Associated Press Leased Wire
Philadelphia, June 19.—The railroad strikes were resumed in this vicinity last night. The Pennsylvania and Reading companies were somewhat crippled by the walkout of yardmen and members of drill crews.

Smith Able to Get
Out for Exercise

John Smith, Polish laborer, who was run over by a heavy freight engine in the Nelson yards on June 10, was yesterday able to leave the hospital for exercise. His injuries have healed to the extent that he is able to take outdoor exercise daily. The left arm was amputated at the shoulder and he suffered many other injuries of a lesser nature.

George Netts, M. L. Dysart and Robert Herbst returned home last evening from Indianapolis, Ind., driving back new cars.

Frank Vaughan of Amboy transacted business in Dixon for a few hours yesterday afternoon.

BREWSTER TELLS
OF PLAN TO CUT
COOK CO. POWERSDixon Delegate to Bas-
ic Law Meeting is
Home Again

Attorney E. H. Brewster returned home last evening from the constitutional convention assembly at Springfield where the delegates have put in a most strenuous week threshing out important problems. Among the subjects presented to the convention this week was one of vital interest, particularly to the down-state counties, which provides that Cook county at no time shall have a majority representation in either the senate or legislature.

Naturally, this measure met with strong opposition from the Cook county delegation and several plans were suggested and discussed before a logical and agreeable system could be worked out. The present constitution of Illinois bases the representation upon the population of a district, giving 51 senators and 153 representatives. With a continuation of the growth that Chicago has experienced in the last few years it would be but a short time before Cook county would control both houses, and it was the purpose of the convention to limit Cook county so that it would at no time have control of either body.

The debate started Wednesday. A plan was submitted whereby each county in the state would be allowed to send one representative to Springfield without considering the population. This met with strong opposition from the outset and some of the delegates were displeased to the extent that they threatened to leave the chamber. The down state delegates refused to give in until a few lost faith and joined the Chicago forces and the plan lost.

The delegates went into a conference which lasted until the small hours of Thursday morning and then came back with a new plan which was debated at considerable length, known as the compromise plan. The compromise plan provides for the division of the state into 57 senatorial districts in the year 1921, each of which shall elect one senator, whose term of office shall be four years. Chicago or Cook county shall be allowed the same number of districts which it now has, numbering 19, which will represent one-third of the total. Representatives will be elected according to the population, except that the convention provides that a territory constituting any one county when adopted shall never have to exceed 75 representatives, leaving 77 for the down state counties, which will represent the majority.

The compromise measure met with bitter opposition by the Chicago delegates but was adopted on the first reading, and now stands, although it is possible that some changes may be made.

Allen Pledges Aid
to Elect Harding

By Associated Press Leased Wire
Washington, June 19.—Senator Harding, Republican presidential candidate, had a long conference at his office last night with Chairman Will H. Hays of the Republican national committee and Harry M. Daugherty, his campaign manager. James S. Sloan, Jr., for 14 years secret service agent at the white house took up his duties today as personal attendant to the Republican nominee.

Senator Harding today received a letter of congratulation from Henry J. Allen of Kansas, who nominated General Wood at the Chicago convention. "I wish to extend to you," Governor Allen said, "my sincere congratulations and my very best wishes for your success in the campaign and in the presidency. It will be a pleasure to do anything I can at any time to further the cause of your election."

Head of Clothing
Firm is Arrested

By Associated Press Leased Wire
New York, June 19.—Frederick Gimbel, first vice president of Gimbel Brothers, department store with branches in many cities, was arrested today by department of justice agents on a charge of profiteering in clothing. Gimbel is head of the New York store.

J. J. Dowell, general merchandise manager of the store and C. D. Slaughter, clothing buyer, also were arrested on similar charges. All three are charged with making profits in clothing of from 90 to 275 per cent.

The warrants were served by Lester S. Kafer, special assistant to Attorney General Palmer heading one of the flying squadrons investigating profiteering here.

MASONIC AUTO PARTY

A fleet of about 20 automobiles carrying members of Maywood lodge, No. 369 A. F. & A. M., passed through Dixon this morning on their way to Clinton, Iowa. The tourists, about 100 in number will be the guests of Morning Star Lodge, No. 100 at Clinton, this evening, returning home tomorrow.

ELWELL MURDER MYSTERY DEEPENS

New York.—Despite new revelations of Mrs. Mary Larsen, housekeeper for Joseph B. Elwell, wealthy turfman, bridge whist expert and society gambler, who was mysteriously murdered in his apartment, police are baffled in their search for the slayer.

Mrs. Larsen told of visits to his apartment by women, and admitted that she had hidden a pink silk kimono, boudoir cap and slippers in order to shield the woman who kept them in Elwell's apartment. Several women prominent in society, who were friends of Elwell, have been questioned in the hope that they could give information which might lead to finding the murderer. Among them are Mrs. Viola Kraus (upper left), who was recently divorced and with whom Elwell attended a dinner party the evening before the murder, and Countess de Szinawski (center above), whose photograph

police say they found in Elwell's pocket. Whether these women were able to help police in their efforts to solve the mystery is not revealed. But to all appearances the mystery is deepening rather than clearing. Elwell left all his estate to his

parents but they have stated that they will take care of Elwell's son, Richard, (upper right), who is a student at Andover. Elwell has been separated from his wife and son for years. Below, Mrs. Larsen, the housekeeper, and a sketch of Elwell.

WEATHER.

SATURDAY, JUNE 19, 1920.

By Associated Press Leased Wire

Chicago and Vicinity—

Fair and continued cool tonight and Sunday; moderate northeast winds. Illinois—

Fair in north and central, probably showers in south portion tonight and Sunday, continued cool.

FORECAST FOR NEXT WEEK.

By Associated Press Leased Wire

Washington, June 19.—Weather predictions for the week beginning Monday are:

Region of Great Lakes and Upper and Lower Mississippi Valley—

Moderate temperature; considerable cloudiness and occasional rains.

LOCAL TEMPERATURE.

The range of the local temperature during the 24 hours ending this morning was between 74 and 49 degrees above zero.

Wilson Signs Bill
to Pay for Teeth;
Keeps War Powers

By Associated Press Leased Wire

Washington, June 19.—Treasury officials expedited payment of \$35, to Michael McGarvey, an employee of the Brooklyn navy yard for a result of an accident in which the other set of teeth were demolished. President Wilson yesterday approved a bill for payment of the claim along with several other measures passed near the close of the last session of congress.

Included among measures approved was the water power development bill which has been shifted to successive sessions of congress for the past 10 years.

A resolution providing for the repeal of most of the war time laws was not signed.

Deny New Trial in
Magee vs. Cubs Suit

By Associated Press Leased Wire

Cincinnati, June 19.—United States District Judge Peck today overruled a motion for a new trial in the suit of Lee Magee against the Chicago National League baseball club for \$9,550 for salary and possible bonuses in 1919. A jury recently decided against Magee. His attorney stated that the case would be taken to the United States circuit court of appeals.

Subsequently the market became easier as a result of scattered selling.

POLES HARD PRESSED
ON ENTIRE FRONT OF
BATTLE, BERLIN SAYSWarsaw Said to be in Danger
of Invasion by
Soviet Forces

By Associated Press Leased Wire

Berlin, June 19.—Alarming reports of the military situation on the Polish Bolshevik front are received by the Tagliche Rundschau from Breslau. The Poles have suffered important reverses, it is said, and in some parts of the front large bodies of troops may be forced to surrender.

Among the losses reported to have been suffered by the Poles, the report says, are two regiments of cavalry which were annihilated and 20,000 prisoners taken by the Bolsheviks, who also have captured 165 cannon.

Expect Minsk To Fall.

The fall of Minsk is expected, it is asserted. The front from Dinaburg to Podolsk is yielding gradually and belief is expressed that Warsaw may be occupied by soviet troops. General Haller's men at Czenstochow have mutilated and expelled some of their officers.

Tell of Desertions.

Fugitives from Kiev have arrived in Lemberg, telling of lack of food and munitions and of wholesale desertions by Polish troops. Excitement prevails throughout Poland, the dispatch says, and state documents have been sent to Posen.

The Polish minister to Germany told the Associated Press today he had received no such reports, and that he considered them "incredible."

DISCREDITED IN N. Y.

By Associated Press Leased Wire

New York, June 19.—The alarming news from Berlin concerning reported conditions on the Polish front are not shared by the official Polish bureau of information here, which stated today that its dispatches from Warsaw showed the Polish front was being strongly held some 350 to 400 miles east of Warsaw. This, it was pointed out, made it a physical impossibility for Warsaw to be threatened as the Berlin reports asserted.

Attorney James Kelly of Amboy transacted business in the probate court here this morning.

GEN. DICKSON'S AUTO
STOLEN POSSIBLY BY
CAMP GRANT SOLDIERSAuthorities Believe Fugi-
tives May be On Way
to Mexico

By Associated Press Leased Wire

Springfield, Ill., June 19.—Theft of the touring car of Adjutant General Frank S. Dickson, from a garage in Ramsey, Ill., at 2 o'clock this morning, has provided what his department believes, the latest clue to the flight of the three soldiers from Camp Grant, wanted in connection with the killing of Mrs. Leroy Moss.

In the place of Adjutant General Dickson's new automobile was a small badly used machine stolen two days ago at Dwight. The direction of the travel and speed with which the car thieves are going, led Colonel S. O. Tripp of the department, to believe the Camp Grant fugitives are flying toward Mexico.

All points traveled by automobilists in southern Illinois and Kentucky have been notified to look for the party. It was merely an amusing accident that the thieves if they be the runaway soldiers, took the care of the head of Illinois' troops.

ONE SOLDIER RELEASED

By Associated Press Leased Wire

Chicago, June 19.—James Tubbs, former soldier, arrested here yesterday by army intelligence officials as a suspect in the death of Mrs. Leroy Moss who was shot Tuesday night at Camp Grant, was released today when tattoo marks on his arm proved he was not one of the men wanted.

HOLD UP AT CAMP

By Associated Press Leased Wire

Rockford, Ill., June 19.—Local officials believe the unknown soldier and civilian who held up Kenneth Fletcher, a taxi driver at the point of an automatic pistol early this morning and relieved him of a small amount of money, are two of the men wanted by Camp Grant officials in connection with the killing of Mrs. Leroy Moss.

The two men stopped the taxi in Kishwaukee street, the road leading to Camp Grant and requested him to take them to Rockford. When the taxi passed the baseball park one of men stepped on the running board and ordered the driver to hold up his hands. After the robbery they disappeared in the direction of Camp Grant.

The arrest of James Tubbs, a soldier, in Chicago yesterday in connection with the escape of enlisted men from Camp Grant following the shooting of Mrs. Leroy Moss, was thought by camp officials to have been a mistake. While Tubbs answers the description of Private Bonnell, one of the men who escaped from the camp agricultural farm Tuesday afternoon in everything excepting that he had tattoo marks on his arm, the Camp Grant officials feel positive he is not one of the men wanted and was recently discharged from the army as he claims is the case.

REPORTED IN IOWA

By Associated Press Leased Wire

Davenport, Ia., June 19.—The trail of the four Camp Grant soldiers who are suspected of the mysterious murder of Mrs. Leroy Moss, wife of a Camp Grant army officer which occurred near the camp Tuesday, abruptly ended at Blue Grass, ten miles west of Davenport at 1 o'clock this morning. Army officials who have been chasing the men since they escaped from the camp in a stolen automobile upon the murder reported that all attempts to pick up the trail after the men left Blue Grass have been useless.

It is believed that the men started for Davenport. A police dragnet was at once spread over the city but no trace of the suspects was found.

Predict Sen. Reed
Will be Re-elected

By Associated Press Leased Wire

Kansas City, Mo., June 19.—The fifth district (Kansas City) delegation to the Democratic state convention met here today to consider the selection of a successor to United States Senator James A. Reed as district delegate to the national convention to San Francisco.

Senator Reed's name was presented by the district to the state convention in Joplin last April but was rejected after a fight on the convention floor. The Senator's friends at today's meeting were emphatic in asserting that he would be re-called and the controversy left to the convention for settlement.

Offer Big Reward
for Caruso Jewels

By Associated Press Leased Wire

East Hampton, N. Y., June 19.—A reward of \$10,000 "with no questions asked" was offered today for the recovery of the \$500,000 worth of jewels, recently stolen from the boudoir of Mrs. Enrico Caruso here.

DIXON PEOPLE
WILL HEAR OF
"SALLY'S" WORKSalvation Army Officer to Deliver Lecture
Here June 25

Dixon people are to be given a chance on the evening of June 25, at the Elk's Club to find out some things that not everybody knows about the Salvation Army.

It will be an entertaining as well as an informative occasion. For Brigadier Fletcher Agnew of Chicago, one of the best known and most capable of the Army's speakers, will be here equipped with movies and slides to illustrate the story he has to tell.

The Brigadier is a graduate of Northwestern University and an officer of many years experience in alleviating the suffering of mankind. His lecture will be the story of how the Salvation Army, through its great activities, is ministering to the broken and the fallen, and of how, through the County Advisory Board, that service is now offered to Dixon and the whole county.

The meeting has been arranged by the Lee County Advisory Board in order to acquaint the public more fully with what Salvation Army service means, and with what the Army is willing and prepared to do for those whose feet have hit on stony places.

The pictures will show glimpses of Salvation Army work in many lands, but will deal principally on what is going on in the United States. They include movies of the Boys' and Girls' Industrial Home and Farm, recreation and educational work among children of the slums, prison work, Christmas dinners for the city poor, and many views of Young Women's Boarding Homes, Rescue Homes and Maternity Hospitals, Industrial Homes and Men's Hotels, Soldiers' and Sailors' Hostels, and other institutions embraced in the Army's field of labor.

The Salvation Army has no secrets from the public, and Brigadier Agnew will endeavor to give a comprehensive account of every angle of that organization's way of doing business.

"PRO-AMERICAN"
WINGS OF G. O. P.
IS INCORPORATEDThompson Faction
Takes Steps for Independent Action

By Associated Press Leased Wire

Springfield, Ill., June 19.—"The Pro-American wing of the Republican Party" was incorporated here this morning. Seven Thompson faction Republicans, represented by George B. Gillespie of this city, filed the papers with the secretary of state. The object of the new wing is "to revive and promulgate the Americanism of George Washington, to resist the aggression of organized wealth and to rededicate the Republican party to the cause of freedom and the welfare of the American people, which were the purposes of its original organization. Incorporators are Harry B. Ward, Duquoin, secretary of the Republican state central committee, thrown out by the decision which killed the primary law; George B. Gillespie, of Springfield; Virtus C. Rohm, 4901 West End avenue, William H. Reid, 1335 West Garfield Blvd., Irene Peasants, Mantona, 2165 Pine Grove Ave., all of Chicago and Cornelius R. Miller, Kankakee.

Papers were presented in person by Mr. Gillespie, who intervened in behalf of the state central committee in defending the primary law before the supreme court. He waited until the charter was prepared, and took it away with him. Headquarters for the new wing according to the charter will be in Mr. Gillespie's office.

Gypsy Gang Searched
for Missing Hoist

A band of gypsies, traveling thru the country, in two automobiles were ordered out of Dixon yesterday afternoon and then were ordered back again. The party arrived about 3:30 and several women at once set out on a tour of the stores. The police were successful in rounding up the party a few minutes after they had arrived and started them on their way.

They had been gone from the city but a short time when a telephone message was received at the sheriff's office, asking that the band be stopped and their cars searched for a chain hoist which it was alleged they had stolen earlier in the day at Rockford. The Rockford authorities had communicated with the sheriff's office at Oregon, but the gypsies had passed through that place and were headed toward Dixon.

Deputies Phillips and Miller started out and overtook the party east of town. When questioned they denied any knowledge of the stolen property but were brought back to Dixon and their cars searched. The deputies were unable to find the stolen property and the gypsies were again ordered to leave and took an entirely different route.

They had been gone from the city but a short time when a telephone message was received at the sheriff's office, asking that the band be stopped and their cars searched for a chain hoist which it was alleged they had stolen earlier in the day at Rockford. The Rockford authorities had communicated with the sheriff's office at Oregon, but the gypsies had passed through that place and were headed toward Dixon.

Des Moines, Ia., June 19.—One workman was killed and two injured yesterday in a landslide on the Capital extension grounds. The men were working at the bottom of a 30 foot ditch. The accident is the third at the place in three weeks.

DECIDED TRIUMPH FOR
COMMUNITY CIRCUS
IN FRIDAY EVE. SHOWPerformance Fulfilled All
Promises Made by Its
Promoters

The first performance of the Dixon Community Circus, presented last evening in the Assembly Park Auditorium, went off with great eclat. It was one of the greatest successes of that form of entertainment ever given in Dixon and if tonight's crowd is as large as that of last evening's a club home for the American Legion is practically assured. Heavy expenses are to be met, however, and a liberal patronage again this evening is needed.

Had Big Audience.

More than 2,000 people of Dixon enjoyed a truly wonderful amateur performance. Florence Magill Wallace, the director, and Dixon Post No. 12 of the American Legion have every reason to believe that their efforts have so far been fully appreciated in putting on the splendid entertainment. From the opening Prologue to the Star Spangled Banner finale the audience was genuinely entertained. So many good numbers were given, in fact no poor ones, that it will be impossible for the writer to mention all.

The Dixon Post, headed by Frank Downing in the opening chorus, started the entertainment, followed by the "Bell Hop Blues" with Charles Anderson. Both numbers were greatly appreciated. Miss Marjorie Winsert, Dorman Anderson, Miss Violet Watkins, Robert Anderson, Miss Margaret Knell and Dorothy Raymond followed in quick succession with various songs and dances. Elmer Rice and the Dixon Quartette gave the performance a professional flavor, as did J. E. B. Lauder in the imitation of the famous Scott bearing the same name. Morris Rosbrook as Al. Johnson, assisted by Miss Helen McKenney, ended the individual numbers and the convention of celebrities of the Dixon Cabaret ended with a splendid chorus, "Everybody's Blowing Bubbles."

The stage setting for this part of the entertainment was remarkably well conceived and executed. The auditorium having no scenery a green background of draperies was overhung with branches of trees. The colored lights and the sprinkling of flags made a pleasing effect and a great deal of work must have been done on the part of our soldier boys to get this truly artistic effect.

Part three opened with "Circus Stunts." These acts were not of the high lofty tumbling order as might be imagined but each proved genuinely entertaining.

Martin Gannon and Bub started this section followed by the Dixon and Sterling Review in which the Hawaiian troupe of singers and dancers and the Sterling Sextette of artists participated. The dance of the Paper Dolls was one of the most entertaining and as the ladies would say the cutest one of the evening.

Unfortunately two of the names of these clever little dolls was omitted from the program. Ethel Crawford and Lucile Kelly. One little tot furnished more amusement than half a dozen clowns in a real circus. Mrs. Pauline Harvey and Wilbur Hart were next on the program and were splendidly received as were the Barefoot dancers which followed. The Fashion Show was one of the most pleasing numbers on the entire bill and the Ice Skaters were splendidly costumed and looked remarkably clean and cool. Miss Lucile Crawford followed. The Oriental dances, Miss Violet Watkins, Mrs. Wilhelmina Kaylor, assisted by Miss Eleanor Coppins and Miss Alice Coppins gave dancing numbers which were heartily applauded. Mrs. E. M. Goodsell sang a pleasing song during one of the dances which made a splendid impression. A very unique number was that given by Mrs. Harvey and Mr. Hart, Mr. and Mrs. Kent and Mr. and Mrs. Kaylor. Both the songs and the dances were splendidly executed. Miss Marcelle Kent in an interpretative dance was the last of the long but entertaining numbers. The entertainment closed with the great finale, Legion Day in Dixon with some 200 people on the stage and it was an inspiring sight to see our soldier boys and their friends, who have worked so hard during the past weeks to give this play, massed together in the final number.

All Entitled to Praise.

The committee, composed of members from every organization in Dixon, are especially to be lauded for their never-tiring exertions to make the circus a success in order that Dixon's soldier boys might have a suitable club home. Miss Noble and Mrs. Rowland, heading the committee, are especially to be commended. There is a movement underway to make the community committee a permanent organization to plan a yearly entertainment in behalf of the American Legion and a pageant at Lowell Park is one of the suggestions being considered for next year.

The wonderful co-operation given the affair by the various public-spirited

TROSTLE-NEHER WEDDING—

The wedding of Miss Etha Trostle, daughter of Mr. and Mrs. I. J. Trostle, of Franklin Grove, to Mr. Oscar Neher, of Waterloo, Ia., Thursday evening June 17, at 6 o'clock, was one of the most largely attended and beautiful events of this month. The ceremony took place on the lawn, the wedding party proceeding along a pathway of white stones, newly laid, to the terrace where they took their places before a bank of ferns and ivy on the porch.

The wedding party was composed of Miss Orpha Frantz, of Cerro Gordo, Ill., as maid of honor; Mrs. Collin Hartzell, of Franklin Grove, matron of honor; George Neher, brother of the groom, of Waterloo, Iowa, as best man; Collin Hartzell, of Franklin Grove, as groomsmen; Miss Orpha Dornick, of Freeport, as bridesmaid; Miss Pauline Trostle, sister of the bride, and Miss Gwendolyn Blocker, of Franklin Grove, as flower girls; and the little son and daughter of Mr. and Mrs. Clifford Blocker and the youthful son and daughter of Mr. and Mrs. Lee Fissell, also bearers of flowers.

Miss Alice Lehman, of Dixon, sang, "O Promise Me," just preceding the ceremony and Miss Louise Deardoff played as the wedding march. The bridal chorus from Wagner's Lohengrin, two flower girls singing the strains as the wedding party approached and strewing the pathway with rose petals. The four little children bore baskets of roses.

The bride wore a beautiful gown of white satin and Georgette crepe and carried a shower bouquet of lilies of the valley and roses. The matron of honor wore white and carried pink peonies while the maid of honor, the bridesmaid, and the other attendants wore pink and carried pink roses.

Rev. O. D. Buck, of Franklin Grove, performed the ceremony.

After the ceremony the Franklin Grove orchestra played on the porch and supper was served from small tables on the porch and in the house. Pink and white flowers were used in the decorations of the tables. The bride's table, a large one seating the wedding party, bore a basket of roses with ribbons attaching to it four bud vases as the center piece. The bride's cake was also an attractive feature of the table.

The guests numbered one hundred fifty, many from out-of-town. The groom's parents, Mr. and Mrs. Neher, of Waterloo, Iowa, Mr. and Mrs. Sam. Fike, of Waterloo, Iowa; Dr. and Mrs. Shively, W. E. West and family, Mr. and Mrs. Hendrickson, Mrs. Cullen and daughter, Miriam, Miss Dorothy Herrick, Mr. and Mrs. Ephraim Trostle, Miss Mary Royer, M. W. Emmert and family, of Mt. Morris; Lewis Brumbaugh, of Chicago; Bennett Stuttsman, of Cerro Gordo, Ill.; Miss June Puterbaugh, of Lanark; Miss Elva Brauer, of Iowa; Mr. and Mrs. Mark Trostle, of Ashton; Mr. and Mrs. Earl Price, of Rockford; Mr. and Mrs. Henry Hicks and Miss Alice Lehman, of Dixon, were a few of those present.

Mr. and Mrs. Neher are to make their home in Waterloo, Iowa. The bride wore as her traveling costume a brown silk suit.

Both Mr. and Mrs. Neher are graduates of the Mt. Morris college. Mr. Neher also attended the university at Ames, Iowa, and the bride the Bethany Bible Institute in Chicago. Mr. Neher is a teacher in the Orange township Consolidated school at Waterloo, Iowa.

ENTERTAINED AUXILIARY—

The Presbyterian Women's Auxiliary was pleasantly entertained at the home of Mrs. Merton Ransom Thursday evening, June 17th, the last meeting of the society for the summer. After a short business session, the remainder of the evening was spent in a social way. A scramble supper was planned for June 29th. Mrs. Frank Stephens, the president of the society, having extended an invitation for the supper to be held at their cottage at Pine Creek. Further announcement regarding plans will be made later.

Mrs. Ransom was assisted in serving very tempting refreshments by Mrs. Harry Lager.

DOWELL TEACHOUT—

Harry E. Teachout, son of Mr. and Mrs. Robert Teachout, of this city, and Miss Nettie Dowell, of Chicago, were married in Chicago late Thursday afternoon. Mr. Teachout and Miss Dowell just ended a ten-day visit here with the parents Thursday.

Mr. Teachout was one of the last to return from Europe where he was in the U. S. postal service during the war. He and his bride will reside in Chicago.

IDEAL CLUB PICNIC—

The Ideal club picnic of last evening at Lowell Park was an especially pleasurable affair, with forty members and friends in attendance. The trip to the park, where the supper was served, a most excellent one, was made by automobile. After the supper there were stories about a rousing bon-fire.

VISIT NIECES—

Mrs. Lena Hoennicke and Mrs. Anna Salzman, of Kankakee, Ill., are visiting their nieces, Mrs. J. P. Burhenne, Mrs. J. Howard Beam, and Miss Carrie Smith, of this city.

GOLDEN RULE CIRCLE—

The Golden Rule Circle of the Grace Evangelical Sunday school will hold a meeting at the church Monday evening. A full attendance of members is desired.

Dixon Circle Two Offices in State

The Dixon representation of the Ladies of the G. A. R., Dixon Circle No. 73, had the pleasure of bringing home with them two state officers, an honor indeed to the Dixon organization, from the Department convention just concluded at Joliet. Mrs. Mae Brookner Cupp was elected Department President with a wonderful majority over her opponent and Mrs. Marie Heller was made State Patriotic Instructor. These were installed with ceremony Friday afternoon, together with the other state officers.

At the regular meeting of the Circle in G. A. R. hall Monday evening a report of the convention will be given by the delegates. All members are urged to be present, as there will be much of interest.

UNITY GUILD MEETING—

A very pleasant and well attended meeting of the Unity Guild of the People's church was held Friday afternoon with Mrs. G. Selig, of 232 E. Everett street. It was a sort of reunion with Mrs. Selig as she has but recently returned to Dixon after spending the past twelve years in Iowa. Some plans were discussed for future work during the afternoon which was largely devoted to chat over the members' needlework. The two daughters of the hostess, the Misses Annie and Carrie, served excellent refreshments during the afternoon.

MARRIAGE ANNOUNCED—

Mr. and Mrs. P. D. Blackburn announce the marriage of their daughter, Helen Lucille, to Arthur M. Collins, of Rochelle, as taking place to-day at St. Patrick's church. Rev. Michael Foley was the celebrant. Miss Loretta Doyle served as maid of honor and John Collins, brother of the groom, as best man. The wedding trip will be taken to Minneapolis and upon their return they will make their home in Dixon.

TRUE BLUE CLASS SUPPER—

Mrs. Ray McCune will entertain the members of the True Blue Sunday School Class of the Methodist church at her home in the country at a scramble supper on Tuesday evening. The supper will be served on the lawn at 7 o'clock. Members and their husbands are invited. Each member is requested to bring own sandwiches and one other article of food. All are urged to be present.

RETURNED FROM CONVENTION—

Mrs. George Schumacher and Mrs. George Muesen returned on Friday afternoon from Joliet where they attended the Department Convention of the Ladies of the G. A. R. The other Dixon ladies attending the convention are expected to return today.

PICNICKED AT LOWELL—

Mr. and Mrs. Thomas Hults and son, Mr. and Mrs. Elliott, and Mr. and Mrs. Curtis Rice picnicked Tuesday evening at Lowell Park.

RETURNED TO OHIO—

Mrs. E. A. Brown has returned to her home at Mt. Gilard, Ohio, after a visit here at the home of her cousin, Mrs. H. H. Rickard.

TO CHICAGO—

The Misses Madeline and Eleanor Coover go to Chicago today to spend some time with their aunt, Mrs. Fred Smith.

ON MOTORING TRIP—

Mr. and Mrs. S. B. Starks leave Monday on a motoring trip through Minnesota, the Dakotas, and Iowa.

Finds Pearl Worth \$1200 in Clam Shell

Ross Cooper of Grand Detour yesterday found a pearl the size of which exceeds that of any found in this vicinity for years. The pearl, which was taken from a large mucket shell, weighed 26 grains. There were two pearls in the shell, one much smaller, being imperfect and dead. At the present market price being paid for pearls, Mr. Cooper should receive about \$1,200 for his find. The pearl is white in color and perfectly round.

SENTENCE REDUCED.

By Associated Press Leased Wire
Camp Grant, Ill., June 18.—Convicted by army court martial at Camp Grant on a charge of having evaded the draft of June, 1918, James B. Poe, of Quincy, Ill., has been sentenced to 14 months imprisonment in the federal prison at Fort Leavenworth, Kas. Poe was apprehended last February, he was sentenced to five years, but Major General Bell reduced the term to 14 months.

DENVER GETS CONVENTION

By Associated Press Leased Wire
Montreal, June 19.—Denver, Colo., was selected by the American Federation of Labor today for its 1921 convention. Birmingham, Ala., was the only rival under discussion.

Mrs. Emma Geisler, who has been very ill, is very much improved.

Out of Office Until June 21

Dr. W. F. Aydelotte
Neurologist Health Instructor
323 Crawford Ave., Dixon, Ill.
Phone 166 for Appointments

The Golden Rule Circle of the Grace Evangelical Sunday school will hold a meeting at the church Monday evening. A full attendance of members is desired.

Sister Mary's Kitchen

To make perfect iced tea one must be extravagant with ice. Unless great care is taken extravagance in glasses may also take place.

Make the tea just as for hot tea. A little stronger if the family really care for tea as the ice weakens it. Fill glasses with cracked ice and pour over tea. Here is where the extravagance in glasses comes in, for if the hot tea touches the side of the glass it will crack. Pour the tea onto the ice and there will be no harm done.

Sugar will go farther if made into a syrup. Sugar dissolves slowly in cold liquids and it takes a lot to make the tea sweet. In the syrup the sugar is dissolved and the tea is sweetened quickly.

MENU FOR TOMORROW

Breakfast—Baked rhubarb with raisins, waffles, syrup, coffee.
Luncheon—Mock chicken salad, plain white bread and butter sandwiches, brown sugar cookies, iced tea.

Dinner—Beef loaf, creamed potatoes, kale with hard-boiled eggs, radishes and onions, cherry pudding, coffee.

MY OWN RECIPES

If you only have two or three onions and half a dozen radishes and a few leaves of lettuce the effect will be better if a salad is made. Make a French dressing, mince the radishes and onions and put in the dressing. Pour this over the lettuce. In this dinner the minerals are supplied in the kale and the mission of the salad is to give piquancy rather than nourishment.

MOCK CHICKEN SALAD

1 cup diced cold veal
1-2 cup diced celery
1-2 cup diced new cooked carrots
1 tablespoon gelatin
1 cup veal stock
1-2 cup vinegar
1-2 cup water.

Dissolve gelatin in 1-4 cup cold water. Add stock, vinegar and water heated to the boiling point. Stir till gelatin is dissolved. Pour in mold. When cool and beginning to set, add meat and vegetables. Mix well and put on ice to become firm. Serve on lettuce with mayonnaise dressing.

BROWN SUGAR COOKIES

1-2 cups brown sugar
1-2 cup butter and lard mixed
1-2 cup hot water
1-2 teaspoon soda dissolved in water
1-2 teaspoon cinnamon
1-2 teaspoon salt
Flour to make a soft dough to roll
Cream shortening and sugar. Add remaining ingredients. Roll thin and bake in a hot oven.

MARY

OHIO.

L. J. Seigel spent last week in Chicago.
G. S. Remsburg transacted business in Mendota Saturday.

Mrs. M. G. Sayg and children visited relatives in Granville last week.

Dr. and Mrs. H. Hammett and daughter, Helen, left Tuesday morning on an automobile trip to Findlay, Ohio, where they will visit relatives.

Mrs. William Penrose, of Dixon, is assisting in the care of her sister, Mrs. Thomas Sheehan, who is ill.

Mr. and Mrs. H. A. Jackson and daughter, Miss Dorothy, visited relatives in Buda Tuesday.

An election was held at the public school building and the Community High school proposition voted upon which was carried by a majority of 109 votes.

Mr. and Mrs. John Paden and daughter, Mrs. Beulah Alspaugh, and latter's little daughter, Virginia, of Princeton, called on friends here on Wednesday.

John Walker, of Clinton, Ia., is visiting his grandmother, Mrs. Margaret Padden.

Miss Kathryn Spencer was a Princeton visitor Wednesday afternoon.

Mrs. T. J. Burke was a recent guest of relatives in Dixon.

Leo Rasse, of Walnut, was a caller in town Wednesday.

Mrs. Byron Winsor and little son returned last week from an extended visit with relatives in the southern part of the state.

Mrs. George Baker, of Geneseo, is visiting at the home of her sister, Mrs. Anna Spencer.

Mr. and Mrs. Peter Jensen spent last Saturday in Princeton at the home of their daughter, Mrs. Andrew Hansen.

Mrs. V. R. Pomeroy is visiting relatives in Chicago.

Mr. and Mrs. Fred Swain and daughter returned Monday from Texas where they had spent the winter making the trip by automobile.

AMERICAN MIDDLE WEST SUPPLIES BEAUTY AND GRACE TO BALLET SOON TO DANCE IN EUROPE

MAXINE ARNOLD

Chicago, June 16.—Charm of the great middle west of America will have a chance to enthrall the beauty center of Europe when the Pavley-Oukrainsky ballet crosses the Atlantic.

In this ballet are many beautiful girls from the middle west who came to Chicago to study dancing under Pavley and Oukrainsky. Bright lights among these are the graceful dancer, Helen Grenelle, Maxine Arnold, who distinguishes herself in a dance of the bacchantes; and Stasia Ledova, dainty ballet dancer. Maxine Arnold's sister, Ysobel, is also a member of the ballet, in company with Viola Shermont, who portrays Oriental dancing roles. These girls are from Wisconsin, Iowa and Illinois.

Pavley recently sailed for Europe to arrange for the appearance of the ballet in European capitals. Pavley and Oukrainsky were responsible for all of the Ballet Divertissements with the Chicago Grand Opera Co. during the past season.

National and Union Irish Parties Fight

By Associated Press Leased Wire

Londonderry, Ireland, June 19.—This city spent another night of terror last night as a result of violent pistol and rifle fighting between Nationalists and Unionists. There was a two-hour pitched battle at the riverside. Comparative quiet was finally restored by the soldiers.

Many of the Unionist engaged in the hostilities were ex-soldiers. The small police force in the city was powerless in the face of the violence of the opposing parties and the military ultimately had to be called out. The efforts of the troops resulted in the restoration of comparatively tranquil conditions by midnight.

Reports showed that several men had been wounded in the fighting. During the fray, armed parties of both factions controlled large areas in various parts of the city. These parties stopped all pedestrians whom they searched for arms.

WAITING.

BY EDMUND VANCE COOKE

Somewhere there's a mother waiting,
Waiting while her life endures,
Waiting for a loving letter
Which shall make her hurt heart better.

Is that mother yours?

Somewhere, where the postman lingers,
Are a mother's reaching fingers
Ever hoping to be thrilled,
Fingers which have served and blessed you
And whose tender touch caressed you.

Shall they not be filled?

Somewhere, where the stars are gleaming,
There's a mother lies a-dreaming
Of the hopes her days contain,
And the message you shall send her.

Is her dream in vain?

Past all watching, past all weeping,
Somewhere there's a mother sleeping.

Under God's eternal blue,
And her last sigh spent its thought on
One who seemed to have forgotten.

Tell me, was it you?

Mr. and Mrs. Elsnor of Lansing, Mich., arrived today for a visit at the home of Mr. and Mrs. Albert Haueter on Broadway street.

Switch Engines Met Head on at Nelson

Misunderstanding of signals is reported to have been the cause of a collision of two switch engines in the Northwestern yards at Nelson during the night, in which the locomotives were put out of commission, but in which, fortunately, none of the engine or switching crews was hurt. The accident, rendering two locomotives useless for the time being, adds to the congestion in the yards, which were already packed with cars.

Rev. Zimbeck Quits South Dixon Charge

Rev. S. A. Zimbeck has resigned his pastorate of the South Dixon Lutheran churches, the churches of St. James and Zion, the resignation to take effect the coming Sunday. Rev. Mr. and Mrs. Zimbeck will continue to make Dixon their home until fall.

A SOLDIER'S HOMECOMING AND PICNIC

Will be held at Angler's Grove, Maytown, Ill., on July 5, 1920. It will be a big day for the soldiers. There will be a big brass band, a dance at Maytown hall at night, fine orchestra, lunch served in basement. Horse races, pony races, men's foot races, boys' races and girls' races. Tug of war, Maytown vs. East Grove, Base Ball game, Buckley's vs. Walnut. Everything free to soldiers. 145e. o. d.

Mrs. Ora Case of Detroit, who has been visiting with relatives here has gone to Oregon for a visit with relatives before returning home.

Price Dictation by Manufacturers Held Illegal by Atty. Gen.

By Associated Press Leased Wire
Washington, June 19.—Warning that agreements between manufacturers and dealers which prevent dealers from reducing the selling prices of manufactured articles is unlawful was sounded today by the department of justice as part of its campaign to lower the cost of living.

Indictments recently were obtained against the Colgate company, Attorney General Palmer stated, charging criminal violation of the Sherman act for procuring agreements with dealers to adhere to fixed resale prices. Absence of formal contracts will not avoid the provisions of the laws, according to the attorney general.

General reduction in prices is expected by officials of the department as a result of the clear definition of the law as it is pointed out that many merchants have been unable to co-operate in the campaign to lower living costs of the fixed prices on certain manufactured articles.

Attempt on Life of Ex-Kaiser Reported

By Associated Press Leased Wire
Doorn, Holland, June 19.—An attempt against the life of former Emperor William of Germany was made at 5 o'clock Wednesday afternoon, according to persistent rumors here.

Details of the reported attempt are veiled in mystery but it is asserted that William escaped without injury. A villager, at first said to be a Belgian but later identified as a German, is said to have entered the castle by the use of a false permit and then tried to kill Count Hohenzollern. M. Fereboom, private secretary to the former emperor, assured the Associated Press this morning that no attack had been made on the former emperor.

Dispatch received Thursday night reported a Belgian who succeeded in gaining admittance to Doorn castle had attacked the former emperor and wounded him in the jaw.

Great Wastage of Human Power Shown

By Associated Press Leased Wire

Washington, June 19.—Modernization of farm homes and general usage of labor saving devices as a means to prevent wastage of human power are urged in a report made public today by the department of agriculture, agents of which recently conducted a survey of farm homes. Such a waste of human power, the report asserts, "is one of the greatest menaces to rural life of the nation."

A reasonable amount of planning, and well directed investment in modern farm home equipment, it continues, would prevent a large part of this waste.

BUREAU COUNTY DADS LIKED ARRANGEMENTS IN LEE COURT HOUSE

Recommend New Building in Princeton be Pat- terned After It

The committee appointed by the Bureau county board of supervisors to visit surrounding counties and inspect county buildings and to gather information to be used in building a new court house at Princeton, have made their final report and strongly favor the Lee county building as a pattern with some possible changes. The report of the committee explains their likes and dislikes as to the county building in this city and in part is as follows:

"Your committee on investigation of Court House would report that on June 10, we went to Dixon, and inspected the Court House at that city, and were favorably impressed with that building. We liked the plan of that building very much. The offices of the different officers are located very convenient to the duties of each officer. The size of the building in our judgment is not large enough for this county, but the plan of same could be enlarged to meet the wants of the business of this county.

"There are several things in the building of same which in our judgment could be improved on. The heating plant is separate from the building, which, in our opinion, is a good thing, but the system of heating as used in said building is not satisfactory, as it is called the over-head heating plan, which does not prove satisfactory. The building stands on a raise of ground which sets off the building to good advantage, and there is no dampness on the ground. The building is a two-story and basement, but the basement is practically the first story, as you walk right off the street into said first story or basement. This building was built in 1901. The cost of the building was \$39,000, the total cost of building and equipment was \$135,000."

The convenient situation of offices with reference to the duties of the county officers was a feature which attracted the approval of the visitors. They approve of a type of building very similar to the Lee county structure for their county in every way and have recommended a bond issue for the sum of \$400,000 to cover the expense of erecting a new building of this type.

ROCHELLE.

Rochelle, Ill., June 17.—Miss Winifred Moley graduates from the Northern Illinois State Normal school at DeKalb with the class of 1920, and has arranged to attend the summer session to further prepare herself for a position as teacher in the Streator schools.

Mrs. Mattie Reed is attending the state encampment of the G. A. R. at Joliet this week as a delegate of the U. S. Grant Circle.

Mr. and Mrs. Edward McConaughy, of Salt Lake City, Utah, were guests of Mrs. Amelia McConaughy last week. Mr. McConaughy was a delegate to the Republican National convention in Chicago from the state of Utah.

Raymond Maxson, a Junior in the College of Engineering at the University of Illinois, is home for his summer vacation.

Harold and Wilbur Lazier, sons of Mr. and Mrs. G. A. Lazier, have arrived home from the University of Illinois for the summer.

Miss Ione Smith has completed her Junior year's work at the University of Illinois and is home for her summer vacation.

Cletus Moley, who travels for the Ward-Packard Shoe Co. of Boston, is home from Cleveland, Ohio, for a vacation.

Miss LaVerne Kirby has returned home from Chicago, where she has been attending the Columbia School of Expression, for her summer vacation.

Chicago carpenters are busy rebuilding the Unger home on Lincoln Highway, which was partially destroyed by fire in the early spring.

Daniel Atwater is home from the University of Illinois, where he is taking a course in Chemical Engineering visiting his mother, Mrs. Alva Atwater. He has accepted a position with the Goodman Manufacturing Co. of Chicago for the summer.

The Rochelle Orioles dedicated the new baseball park on Lincoln Highway just west of the P. Hohenadel, Jr., Canning Co., Sunday afternoon before a crowd that taxed the seating capacity of the grandstand and lined in the infield of the new diamond by winning from Elgin 7 to 1. The batteries were: Voss and Voss for Elgin, and Erickson and Erickson for Rochelle. The ball players in each case were brothers.

Erickson pitched a splendid game for Rochelle, striking out 10 men and allowing but 3 hits. He seems to have plenty of the stuff and is also a slugger getting two hits. His brother's work behind the plate was, also, high class. He has a good infield whip and displayed his famousness.

Billy Luther Earned \$3.00 in Two Hours

Billy who is only 12 years old sold 24 packages after school. You can do the same by selling only 24 packages of Gardite the well known bug and worm destroyer—for gardens and flowers, at 50c per package. Now's the season, big demand, easy to sell. When sold return \$9.00. Keep \$3.00. Every friend and neighbor will buy a package, so order now, while the season's right. Write today.

GARDITE SALES CO.
Independence, Iowa

WILL HARDING MAKE IT?

Warren G. Harding, Republican candidate for president, hopes that it will be three times and in, instead of the proverbial "three times and out." His moves, so far, have been (top to bottom) from his birthplace at Blooming Grove, Ohio, to his own home at Marion, Ohio, and then to his residence at 2214 Wyoming avenue, Washington, D. C. Now there is a rumor that he hopes to make a third move—into the White House.

by sticking to the game with an injured finger. The team as a whole played well together according to Erickson good support and hitting the ball in most cases. Law and Johnson, two local boys, were tried out at center field and while a little weak with the willow performed creditably in the field. Voss allowed Rochelle 7 hits and struck out only 4 men. The Rochelle band was present and added a holiday spirit to the day by adding music to the fray.

Next Sunday the Ogburn Colts, of Rockford, play on the local field and on the following Sunday the Dubuque White Sox will be the attraction.

Mr. and Mrs. Edward McConaughy, of Salt Lake City, have been visiting Mrs. Amelia McConaughy. Mr. Conaughy was one of the delegates to the Republican convention in Chicago from the state of Utah.

Recent operations performed at the Lincoln hospital include: Donald and Kenneth Ollinger, Esmond; Mrs. Walter Barringer, Paw Paw; Irene McKenzie, Malta; Mrs. Bert Dillbeck, Earlville; James Brundage, Ira Cole, Theron Conour, Kenneth Wendt and George Carey, Rochelle; Helen Bruns, Kings; Ralph Herrmann, Steward; Katherine Rote, Sycamore; Diertha A son was born to Mr. and Mrs. William Anderson, of Ohio, Ill., Saturday, June 5th. Mrs. Anderson was formerly Miss Gladys Smith, of Rochelle. A daughter to Mr. and Mrs. Fred Vogeler of this city on Tuesday evening, June 8. Deaths: William Holdren, of Compton, who succumbed of heart trouble.

Mr. and Mrs. A. A. Phelps expect to leave the latter part of the month

turned home, having spent a few days in Dixon at the home of Mr. and Mrs. Fred Johnson.

Mr. and Mrs. Frank Weidman was shopping in Dixon Monday.

Rev. and Mrs. E. H. Gilmer and family were Dixon visitors on Tuesday.

Mr. and Mrs. Harvey Pitzer were in Dixon Tuesday evening.

Mr. and Mrs. Harvey Herbst and son, Leslie were in Dixon Tuesday.

Mr. and Mrs. Fred Gonnerson and family were in Dixon Wednesday.

Mrs. George Graeching, of Dixon, is visiting at the home of her daughter, Mrs. Harold Emmert.

Mr. and Mrs. E. Childs, of Clinton, Ia., is a guest at the home of Mr. and Mrs. Unger Wolf.

A. C. Miller was in Dixon Thursday.

Mr. and Mrs. George Emmert motored to Chicago Wednesday for a visit with friends and relatives.

The ice cream and cake social given by the two classes of the Sunday school Tuesday evening, was largely attended and a pleasant evening was enjoyed by all.

Miss Phyllis Harfoell, of Dixon, is visiting her cousin, Miss Lucella Wolf.

JORDAN.

Mr. and Mrs. Frank Millhouse entertained on Sunday Mr. and Mrs. George LeFevre and family of Prairieville, Rev. E. M. Edwards, Leonard Seibel of Manlius and Mr. and Mrs. Glen Millhouse and daughter Charlotte.

Mrs. Fred Shable is spending this week with her sister Mrs. Arthur Majeski of Prophetstown.

The East Jordan Missionary society met this week with Mrs. Kate Schell on Thursday.

Mrs. Mary Kline visited several days last week at the Henry Hess home.

The East Jordan church will have their Children's Day exercises Sunday evening, June 20, beginning at 7:30.

Mrs. W. E. Tillman of Prairieville spent Wednesday night with her mother, Mrs. Fred Shable.

The Penrose W. M. A., held an all day meeting Thursday with Mrs. R. E. Gilbert. Forty-five men women and children partook of the sumptuous scramble dinner. Several comforters were knotted.

The East Jordan Christian Endeavor will hold a social at the Will Hummel home Friday evening, June 18.

On Wednesday, June 9, occurred the marriage of Robert Coates of Jordan and Miss Veva Finke of South Dakota. Miss Finke is well known in this vicinity.

The Sunday school classes taught by Robert Coates and Arthur Schell enjoyed a picnic at Lowell park on Wednesday.

Allen Wade was taken ill with an attack of appendicitis Monday. He is reported somewhat improved.

Earl Detweiler arrived Wednesday from Urbana. He has accepted a position and will leave the latter part of the week.

William Hackbarth and family spent Sunday visiting in Sterling. Rev. and Mrs. E. M. Edwards and son Winston spent Thursday at the R. E. Gilbert home.

Mrs. Floyd Tillman is spending the week with her parents at Belvidere.

Mrs. E. H. Tillman is assisting at the George Royer home near Millidgeville during the illness of the baby, George, Jr.

George Brown spent Monday in Davenport.

The Tillman's are laying the foundation for a big barn on the Arthur Majeski farm near Prophetstown.

The Foundation reunion was held Sunday at Lowell park.

The union service at Penrose on Sunday evening was well attended. Rev. Towles preaching a fine sermon on the subject, "The Half Way House."

There will be preaching at Penrose Sunday morning, June 20.

Mrs. Jesse Martin and children of Dixon are visiting with her parents, Mr. and Mrs. J. A. Gilbert.

Miss Helen Hammond, holding a responsible position with a bank at Ventura, Cal., has resigned in order to engage in farming. She has leased a twenty-five acre tract of land in the Coachella Valley, which she proposes to plant in cotton.

Money must accompany classified ads, otherwise they will not appear in the paper.

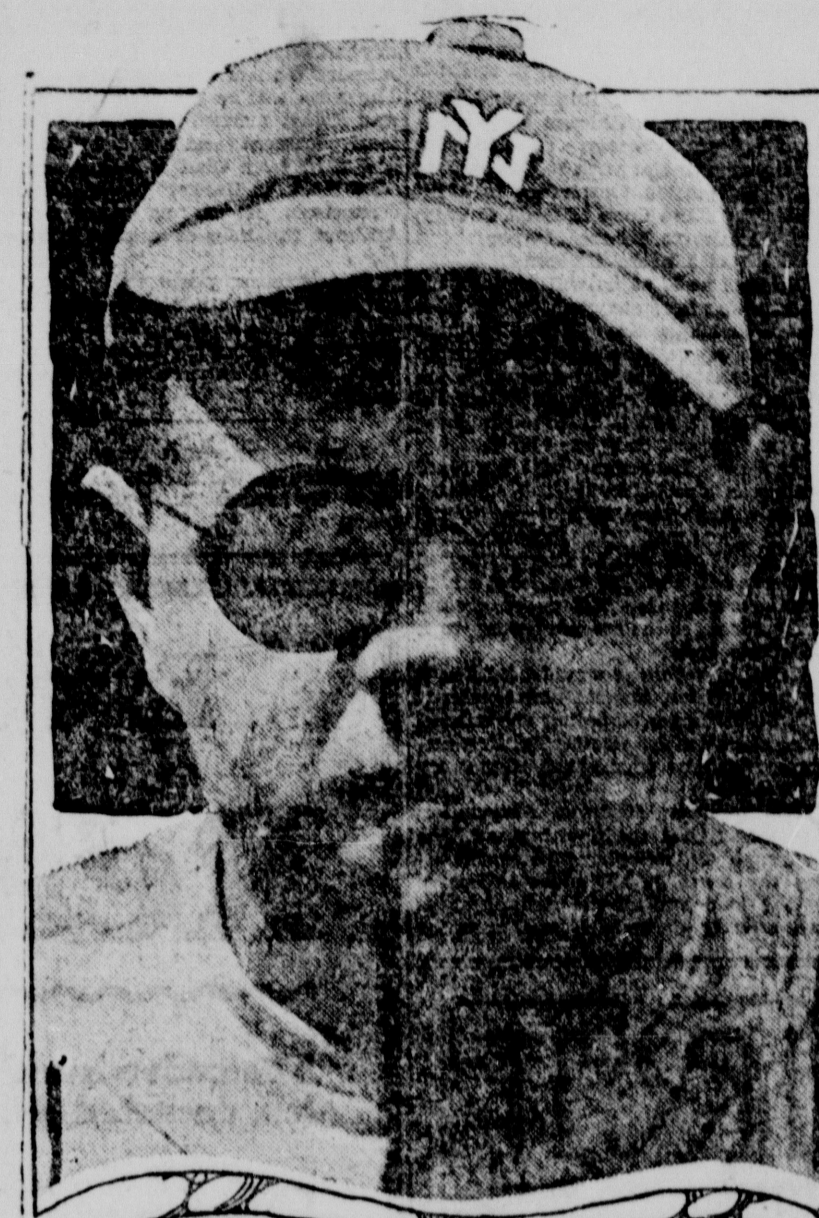

Miss Frances Welty has returned from a visit in Chicago.

Mr. and Mrs. Scott Spangler and daughter, Elsie, were guests Sunday of Mr. and Mrs. Will Spangler south of Dixon.

Mr. and Mrs. Raymond Clark and children returned to their home in Indiana on Sunday after a very pleasant visit at the home of Mrs. Clark's parents, Mr. and Mrs. E. Weigle.

Mr. and Mrs. C. C. Parker have re-

HOME RUN KING AFTER NEW RECORD IN CIRCUIT SMASHES

BABE RUTH

By Associated Press Leased Wire

Chicago, June 19.—George Sisler, star of the St. Louis club, today is blazing the trail for the batters of the American league.

The St. Louis first baseman, second to Tris Speaker, of Cleveland, a week ago, shot into the first place with an average of .403, while Speaker fell in to second place with an average of .392. Joe Jackson, the hard hitting outfielder with Chicago, is third with .374. The averages include games of Wednesday.

Sisler's remarkable batting streak came into bloom a week ago and his consistent hitting won the coveted first place honors. Sisler connected with eighteen hits in seven games. He has a total of 85 safe blows for fifty-one games.

With the season a third finished, "Babe" Ruth, champion home run hitter, seems certain of establishing a new record, as he is only ten behind the mark of twenty-nine he set last season. Ruth drove out his nineteenth smash during the second game of the Chicago-New York series, driving the ball into the right field bleachers. He is far ahead of his 1919 performance, when he attained his eighteenth homer on August 16.

Speaker is leading Ruth by one as a run-getter, having registered 51 times. Eddie Rice, of Washington, continues to show the way to the base stealers, his 22 thefts remaining high. Other leading batteries: Milan Washington, .368; Johnston, Cleveland, .354; Meusel, New York, .353; Weaver, Chicago, .351; Murphy, Chicago, .351; Shotton, Detroit, .350; Hendryx, Boston, .349; Judge, Washington, .348; Ruth, New York, .344; Evans, Cleveland, .343; Jacobson, St. Louis, .342; Felsch, Chicago, .335.

National League.

There was little change among the leading batters of the National league during the past week. Roger Hornsby, of St. Louis added a few points to his average, as did Nicholson of Pittsburgh, who became the runner-up to the St. Louis star, displacing Daubert, of Cincinnati, whose slump put him in third place.

Hornsby is batting .323, Nicholson,

328; Williams, Philadelphia, .322; E. Smith, New York, .316; Young, New York, .315; Flack, Chicago, .313; Clemens, St. Louis, .309; Fournier, St. Louis, .308; Cruise, Boston, .306; Stock St. Louis, .305.

Twenty-Eighth Wife Makes Herself Known

Chicago, June 18.—The twenty-eighth wife of Richard Hurlt appeared yesterday before superior Judge Dennis E. Sullivan. As Mrs. Minnie Ballew Gordon, she filed suit seven months ago against Charles W. Gordon charging bigamy. She told the judge she was certain that the man she married as "Major Charles W. Gordon was Hurlt, who now is serving a life sentence in the California penitentiary for murdering one of the more than a score of women he married.

FIRST SHOT OF STRIKE.

By Associated Press Leased Wire

Quincy, Ill., June 18.—The first shot of the present labor trouble was fired here this morning when a bullet came crashing through the West-Paper Mill plant, where men are on strike. No one was hit. The company has applied for an injunction restraining the men from picketing or interfering with employees. The restraining order is similar in tone to the one granted the American Strawboard company Thursday, which appeared to have effect of keeping down any further riotous demonstration on the streets.

Brief Summary of Last Night's News

By Associated Press Leased Wire

Washington—Ludwig C. A. K. Martens, in the United States more than 16 months as self-styled Russian soviet ambassador, has been recalled.

Berlin—A Breslau dispatch reported a Polish communique signed by General Pilsudski as announcing the collapse of the Polish offensive and envelopment of the Polish army by the Bolsheviks.

Lisbon—The Portuguese cabinet resigned.

New York—Recent declines in the prices of a few commodities are part of a gradual and general movement that has been under way for considerable time, said a statement by the National Bank of Commerce.

Washington—A coal shortage next winter which may curtail production of iron and steel and seriously affect other industries is foreseen by the federal reserve board with the situation already acute in some districts.

Louisville—Three men were arrested, the first in an American Association park for gambling on plays.

London—Women engaged in nursing or other work under the nation's defensive forces, were made eligible for the Victoria Cross, heretofore granted only to men.

Washington—President Wilson in a letter to the "6,000,000 health crusaders in the United States" expressed hope that every boy and girl would continue the efforts toward better health as set forth in the crusade now being waged in the nation's schools.

MILLION FOR SEMINARY

Detroit, June 18.—An appropriation of \$1,000,000 was voted today by the Evangelical Lutheran Synod in triennial convention here for the erection of a new Concordia seminary, to replace the present institution at St. Louis, Mo.

A lively contest over the proposal to remove the seminary from St. Louis to Chicago was begun at this morning's session.

MOTOR NOTES

Care of Cooling System

If it has not yet been done, the cooling system should be drained entirely of all traces of anti-freeze mixture and flushed with clean water. Put a solution of baking soda and water in the radiator and run the engine for 20 minutes. Then drain the radiator again. This will remove all scales that may have formed from the anti-freeze mixture.

Removing Spark Plug

When the spark plug gets rusty and won't come off, build a shallow dam of putty around the top and fill with kerosene. Let the kerosene soak in for 12 hours. This will loosen the rust and the plug can be unscrewed.

A Radiator Filler

Fit a faucet to the bottom of a pail and use this device to fill the radiator. It can rest on the hood while the radiator is being filled. This eliminates considerable bother and work in filling the radiator.

To Stop Brake Squeaks

To eliminate squeaks in the brake system, remove the wheel and band and cut out a short bit of lining between the rivets under the anchor. The lining will hold just as firmly as before.

When Water Jackets Crack

A mechanically inclined motorist can do his own mending on a cracked water jacket by this method. Drill a small hole at each end of the crack and tap it for a small copper plug. Scrape the surfaces near the crack until the metal is bright. Cover the crack with soft copper filings and melt them in with a blow torch. Use a flux of rosin dissolved in alcohol.

Acting Director Cottrell of the bureau of mines says, "While the gasoline situation appears to be in an acute state in California, where there was only two weeks supply in February, this is not now true in any other part of the country. It is undoubtedly true, however, that due to the much greater increase in the number of automobiles in use today compared with the increase in both gasoline and crude oil, from which gasoline is derived, it is possible that a shortage may result. Production of gasoline in February, 1920, was about 11 per cent more than in February, 1919, but the number of automobiles and trucks in use was about 25 per cent greater."

In the first four months of this year, New York gathered in \$7,000,000 as fees for registration from the motorists in that state.

Samples of gasoline from 80 different points throughout the country analyzed by the bureau of mines at Washington showed the quality to be about the same at all places.

For the satisfaction and relief of the Ford owner, let it be known that the cost of a Ford up to 1914 was higher than it is now. In 1909, a Ford touring car was \$850 and in 1910 it was raised to \$950. Its lowest price was \$360 in 1916 and 1917.

Lack of railroad transportation resulted in a "drive-away" of more than 63,000 motor cars and trucks from manufacturers to dealers. These cars went as far distant from the factories as 1000 miles. In spite of this, production has had to be curtailed, the present output being now only about 65 per cent of the previous production point.

Black pearls were first made fashionable by the Empress Eugenie, who in the days of her glory possessed a famous necklace of them, which brought many thousands of dollars when sold at auction after the overthrow of the Imperial dynasty.

WOMEN NEED NOT STAND IT

Lydia E. Pinkham's Vegetable Compound Surely Removes Suffering and Pain. Here is Proof.

St. Paul, Neb.—"I suffered with periodical pain for about four years so that I was unable to do my work at times. A friend told me about Lydia E. Pinkham's Vegetable Compound and I took it. It soon stopped all my suffering so that I am now feeling fine in every way. I recommend your medicine to my friends who have similar troubles. You may publish this letter for the benefit of other women."—Mrs. WILL THOMAS, St. Paul, Neb.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact. For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who now are free from suffering by its use.

ILLINOIS ROADS MARKED IN PLAN OF CHICAGO CLUB

Chicago Motor Club is Carrying on Fine Achievement

Illinois will soon have a system of hard roads that will be the envy of the country.

Proper marking of the highways is the next step and from every indication it would seem that the Chicago Motor Club has hit upon the right plan. The yellow bands with the black number designating the State Highways are easy to follow, for the yellow band is always in sight. Turns are marked R. & L., dangerous places are labeled with warning signs, and taken as whole, the system is ideal. Such thorough marking is worthy of the earnest support of the local motorists, and of the merchants. It is the conviction that the County Commissioners in the various counties through which the yellow bands pass, should support this splendid work. Before the season is over, Officials of the Chicago Motor Club say, that every highway of importance in the state will be marked in this fashion.

To date the Club has marked 1,026 miles eight poles to the mile, with an average cost of \$2.20 per mile. The

routes marked are as follows: No. 1, Chicago to Danville; 6, Chicago to Fulton; 18, Chicago to Somonauk; 23, Harvard to Ottawa; 7, Ottawa to Rock Island; 5, Chicago to Rockford; 4, Chicago to Joliet; 22, Chicago to Carpentersville; 21, Chicago to Antioch; 19, Chicago to Harvard; 20, Woodstock to Waukegan; 46, Des Plaines to Maywood; C. L. the Loop of Cook County; 7-a, Chicago to Benton Harbor.

On Lincoln Highway. Enamel steel signs will replace the painted markers stenciled on the telegraph and telephone poles in the marking of the Lincoln Highway from New York to San Francisco. The installation of new signs will be started about July 1 and it is hoped to have the whole work completed by Oct. 1.

The new steel signs will be 10x21 inches in size, carrying the standard Lincoln Highway marker in three colors of enamel. These signs will be half round and will be firmly screwed to hardwood posts, 11 feet long, which will be sunk three feet under ground and placed at every confusing turn and cross road.

In cities where it would be difficult to plant poles, special arrangements will be made for clamping the enamel steel signs on the electric lighting fixtures with the permission of the city authorities.

The Lincoln Highway Association has found that the painting of the telegraph and telephone poles, marking the route, is the most expensive in the long run as the painted signs are quickly obliterated and must be

constantly renewed if the marking is to be maintained at top efficiency. With the completion of this highly expensive, but most efficient and permanent plan of marking, the Lincoln Highway will be the most thoroughly and clearly marked road on the American continent, and a tourist can follow thru from 42nd and Broadway in New York to Market street in San Francisco, if he so desires, even without the help of a road guide or log.

The chestnut posts to be used for the affixing of the signs are guaranteed to last at least 15 years, while the metal signs carrying a high glaze are practically indestructible by the elements.

Scientific tests have shown that the hot lunch served in the schools is a very big factor in developing the child.

Regular Care Keeps Car in Good Shape

To keep your automobile in good condition, the following things should be attended to regularly:

1. Storage battery inspected every two weeks.
2. Grease cups turned up every 1000 miles.
3. Springs oiled weekly.
4. Oil and gasoline connections inspected weekly.
5. Crank case drained and washed out every 500 miles.
6. Universal joints packed with grease every 1000 miles.
7. Differential and transmission packed with grease or oil every 1000 miles.
8. Spark plugs cleaned every 1000 miles.
9. Carbon removed from cylinders twice a year.

10. Valves ground every 5000 miles.
11. New piston rings every 15 months.
12. Wheels aligned once a month.
13. Wheel bearings inspected monthly.
14. Carburetor cleared monthly.
15. Self starter inspected monthly.
16. Steering wheels and knuckles inspected weekly.
17. Brakes tested and equalized monthly.

Ford Trouble Corrected
Trouble is often experienced with overlubrication of the front cylinder of the Ford car, the oil forcing its way past the piston rings and causing excessive carbon. This is caused by the connecting rod of the front cylinder dipping too deeply into the oil. To cure this, level up the crank case by raising and blocking up the front end of the motor. A pad under the crankcase front frame will do. If there is a decided pitch to the crankcase it may be necessary to use a block that will require longer spring clips. The alignment of the motor will not be affected.

Executor's Sale of Real Estate

The undersigned Executors, to settle the Estate of John Kellen, deceased, will sell at Public Auction on the premises, on

Tuesday, July 6, 1920

At 1:30 p. m., the Following Described Lands:

The Northwest Quarter (NW $\frac{1}{4}$) of Section Nineteen (19) Sublette Township and the East Half (E $\frac{1}{2}$) of the Southwest Quarter (SW $\frac{1}{4}$) of Section Twenty-five (25), Town 19., R 10 and the East Half (E $\frac{1}{2}$) of the Northeast Quarter (NE $\frac{1}{4}$) of Section 36, Township 19, R 10, East of the Fourth Principal Meridian, all in Lee County, Illinois.

Tract No. 1 being the first described, is well improved and one of the best farms in the state. Tract No. 2 is a good 80 with no buildings. Tract No. 3 is well improved and all good land. All this land is in one of the best black soil corn farming communities in Illinois.

TERMS OF SALE

10 per cent of purchase price on day of sale by way of bankable note without interest until March 1st, 1921 bearing 7 per cent after due. Balance of purchase price March 1st, 1921 when deed and possession will be given. Abstract showing merchantable title will be furnished.

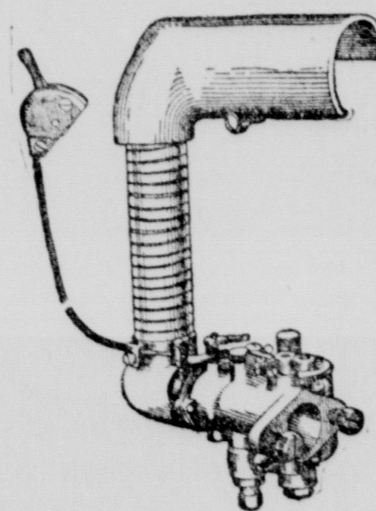

Anyone wishing to see these farms may call on Frank Kellen or Joe Goy, Sublette, Ill. They will be pleased to show them any time before sale day. The sale will commence on the N. W. $\frac{1}{4}$ of Section 19, Sublette Township at 1:30 p. m. and each place will be sold on the premises.

Frank J. Kellen and Joseph F. Goy,

S. W. BARTLETT, Attorneys.
R. K. McCOLL & SONS, Auctioneers.

Executors.

New Rayfield for Fords Insures Better Performance

MODEL UF
For Fords

PERFORMANCE characteristic of all Rayfield carburetors is carried out in the new Rayfield Model UF for Ford cars. This includes easy starting, quick acceleration, maximum power and speed with minimum fuel consumption.

One reason for the remarkable performance of this new carburetor is the patented thermostatic air shutter which keeps the air passing through the carburetor at a constant temperature under all conditions.

Let us put a Model UF on your Ford. The difference in performance will surprise you.

Blazing the Trails for Motorists

"You fellows are doing a great work in marking the highways," says an appreciative motorist. "I followed your signs to St. Joe last week and never had a minute's difficulty. I'll bet there are thousands of car owners who would like to contribute to this work."

We think so, too, and have made a special price for those outside of Cook County to join the 10,000 members of the

Chicago Motor Club

Michigan Blvd. at 33rd Street, Chicago

Three cars are on the road all season long marking the highways and logging the roads. You will see every highway of any consequence marked with eight poles to the mile. Keys to the several markings or up-to-date information about any section furnished gratis. Our danger signs warn you of all dangerous crossings, curves or hills. This work means not only a saving of lives but also money in tires, oil and gas. Beginning July 1st, three Service Trucks will be ready to rush to the assistance of members anywhere in Cook County—free of charge.

Our attorneys defend members in court charged with alleged infringement of traffic laws within 100 miles of Chicago — our Touring Bureau supplies maps, logs and complete road information, also information on Hotels, Theatres, Railway Time-tables—steam and interurban and the interesting places to visit in Chicago and Cook County. Our official Hotel and Garage System protects members from profiteering hotel and garage men—our Insurance Department saves in premiums on automobile insurance more than the cost of membership. Our Club House with billiard room, lounging rooms and cafe, affords a good place to entertain. All these benefits for only \$5.00 a year (\$1.00 extra for emblem) to those living outside of Cook County. Send in your name today and begin to enjoy the benefits at once.

the Board of Local Improvements and the Council of said City of Dixon. All proposals must be made on blanks which will be furnished bidders at the City Clerk's office.

Payment for this work for which said tenders are invited is to be made in cash or bonds, payable when the contract is completed and the work accepted by the Board of Local Improvements and the Council of the City of Dixon, bonds to draw interest at 5 per centum. No bid will be considered unless the party making it shall furnish evidence satisfactory to the Board of Local Improvements and the Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plans, profiles and also the locality in which said work is to be done and judge for themselves of all the circumstances affecting the cost and the nature of the work. Specifications for said work are on file in the Mayor's office and may also be seen at the office of the City Clerk of the City of Dixon from and after this date.

The person to whom the contract for the construction of said improvement is awarded shall, before the commencement of work under such contract, provide ample, suitable and valid insurance policies to provide against and pay all claims for injury to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

Dated at Dixon, Illinois, this 11th day of June, A. D. 1920.

Signed, THE COUNCIL AND BOARD OF LOCAL IMPROVEMENTS OF THE CITY OF DIXON.

By Robert H. Scott, their attorney. 138110

No. 194.

Sealed proposals addressed to the Board of Local Improvements and the Council of the City of Dixon, Illinois, and endorsed, "Proposals for the furnishing of the labor and materials for the construction of vitrified tile pipe sewer with manholes and house connection laterals in Hennepin Avenue and Patrick's Court, in the City of Dixon, Illinois," as provided for in Local Improvement Ordinance Number 194, Series of 1920, of said City of Dixon, will be received by the Board of Local Improvements and the Council of the City of Dixon, until 8:30 o'clock P. M., June 22nd, A. D. 1920, and will be publicly opened by the Mayor of said City of Dixon, (who is the president of said Board of Local Improvements) at a joint meeting of said Council and Board of Local Improvements to be held in the Council Chamber in the City Hall in said City of Dixon at 8:30 o'clock in the evening on the 22nd day of June, A. D. 1920. Said bids shall be opened by the Mayor in the presence of a majority of the Council and shall remain on file in the Mayor's office and be open to public inspection for at least 48 hours before an award of said contract is made to any competitive bidder. After the expiration of 48 hours, as above stated, said Council and Board of Local Improvements shall meet in joint session and determine the most advantageous bid for the City and publicly declare the same.

The work for which said tenders are invited is for the construction of 423 cubic yards of excavation of macadam; 1139 cubic yards of excavation, earth and cinders; 1778 linear feet of combined curb and gutter with curbs extended at driveways, with foundation of three inches of gravel or crushed rock; 40 vitrified brick or block driveways, with sand filler, of sixty-four (64) sq. feet each; 7748 sq. yards of vitrified brick or block pavement (ditch) with sand cushion and sand filler; 61 cubic yards of crushed rock in foundation, filled and rolled, as provided for in Local Improvement Ordinance Number 194, Series of 1920, of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by a certified check or cash for an amount not less than 10% of the aggregate of such proposals. All certified checks must be drawn on some responsible bank and must be payable to the order of the President of the Board of Local Improvements, in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of such check or cash to the successful bidder being conditioned upon his appearance within fifteen days after having been notified of the award having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work, so awarded and giving a bond satisfactory to the Board of Local Improvements and the Council of the City of Dixon.

A bond equal to the amount of the bid will be required, conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the Board of Local Improvements and the Council of the City of Dixon, bonds to draw interest at 5 per centum. No bid will be considered unless the party making it shall furnish evidence satisfactory to the Board of Local Improvements and the Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plans, profiles and also the locality in which said work is to be done and judge for themselves of all the circumstances affecting the cost and the nature of the work. Specifications for said work are on file in the Mayor's office and may also be seen at the office of the City Clerk of the City of Dixon from and after this date.

The person to whom the contract for the construction of said improvement is awarded shall, before the commencement of work under such contract, provide ample, suitable and valid insurance policies to provide against and pay all claims for injury to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

Dated at Dixon, Illinois, this 11th day of June, A. D. 1920.

Signed, THE COUNCIL AND BOARD OF LOCAL IMPROVEMENTS OF THE CITY OF DIXON.

By Robert H. Scott, their attorney. 138110

No. 198.

Sealed proposals addressed to the Board of Local Improvements and the Council of the City of Dixon, Illinois, and endorsed, "Proposals for the furnishing of the labor and materials for the construction of combined curbs and gutters of cement concrete and vitrified brick or block driveways and vitrified brick or block pavement on First Street, in the City of Dixon, Illinois," as provided for in Local Improvement Ordinance Number 198, Series of 1920, of said City of Dixon, will be received by the Board of Local Improvements and the Council of the City of Dixon, until 8:30 o'clock P. M., June 22nd, A. D. 1920, and will be publicly opened by the Mayor of said City of Dixon, (who is the president of said Board of Local Improvements) at a joint meeting of said Council and Board of Local Improvements to be held in the Council Chamber in the City Hall in said City of Dixon at 8:30 o'clock in the evening on the 22nd day of June, A. D. 1920. Said bids shall be opened by the Mayor in the presence of a majority of the Council and shall remain on file in the Mayor's office and be open to public inspection for at least 48 hours before an award of said contract is made to any competitive bidder. After the expiration of 48 hours, as above stated, said Council and Board of Local Improvements shall meet in joint session and determine the most advantageous bid for the City and publicly declare the same.

The work for which said tenders are invited is for the construction of 423 cubic yards of excavation of macadam; 1139 cubic yards of excavation, earth and cinders; 1778 linear feet of combined curb and gutter with curbs extended at driveways, with foundation of three inches of gravel or crushed rock; 40 vitrified brick or block driveways, with sand filler, of sixty-four (64) sq. feet each; 7748 sq. yards of vitrified brick or block pavement (ditch) with sand cushion and sand filler; 61 cubic yards of crushed rock in foundation, filled and rolled, as provided for in Local Improvement Ordinance Number 194, Series of 1920, of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by a certified check or cash for an amount not less than 10% of the aggregate of such proposals. All certified checks must be drawn on some responsible bank and must be payable to the order of the President of the Board of Local Improvements, in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of such check or cash to the successful bidder being conditioned upon his appearance within fifteen days after having been notified of the award having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work, so awarded and giving a bond satisfactory to the Board of Local Improvements and the Council of the City of Dixon.

A bond equal to the amount of the bid will be required, conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the Board of Local Improvements and the Council of the City of Dixon, bonds to draw interest at 5 per centum. No bid will be considered unless the party making it shall furnish evidence satisfactory to the Board of Local Improvements and the Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plans, profiles and also the locality in which said work is to be done and judge for themselves of all the circumstances affecting the cost and the nature of the work. Specifications for said work are on file in the Mayor's office and may also be seen at the office of the City Clerk of the City of Dixon from and after this date.

No. 198, Series of 1920.

Notice is hereby given to all persons interested, that the Council of the City of Dixon, a municipal corporation, in the County of Lee and State of Illinois, has by Local Improvement Ordinance No. 198, Series of 1920, passed the Council of the City of Dixon, on the 11th day of May, 1920, and approved by the Mayor of said City of Dixon on the 11th day of May, A. D. 1920, providing for the furnishing of labor and materials for and the construction of vitrified tile pipe sewer with manholes and house connection laterals in Seventh Street in said City of Dixon, along the center line thereof from the mainline heretofore constructed at the center of the intersection of said street and Van Buren Avenue, westerly to a point in said Seventh Street, 516 feet west of said Van Buren Avenue. The said manholes are to be constructed along the line of the sewer aforesaid and located as follows:

One at a point 300 feet westerly from Van Buren Avenue.

One at the westerly terminus of said sewer.

That said ordinance is now on file

having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work, so awarded and giving a bond satisfactory to the Board of Local Improvements and the Council of the City of Dixon.

A bond equal to the amount of the bid will be required, conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the Board of Local Improvements and the Council of said City of Dixon. All proposals must be made on blanks which will be furnished bidders at the City Clerk's office.

Payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is completed and the work accepted by the Board of Local Improvements and the Council of the City of Dixon, bonds to draw interest at 5 per centum. No bid will be considered unless the party making it shall furnish evidence satisfactory to the Board of Local Improvements and the Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plans, profiles and also the locality in which said work is to be done and judge for themselves of all the circumstances affecting the cost and the nature of the work. Specifications for said work are on file in the Mayor's office and may also be seen at the office of the City Clerk of the City of Dixon from and after this date.

The person to whom the contract for the construction of said improvement is awarded shall, before the commencement of work under such contract, provide ample, suitable and valid insurance policies to provide against and pay all claims for injury to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

Dated at Dixon, Illinois, this 11th day of June, A. D. 1920.

Signed, THE COUNCIL AND BOARD OF LOCAL IMPROVEMENTS OF THE CITY OF DIXON.

By Robert H. Scott, their attorney. 138110

No. 198, Series of 1920.

Notice is hereby given to all persons interested, that the Council of the City of Dixon, a municipal corporation, in the County of Lee and State of Illinois, has by Local Improvement Ordinance No. 198, Series of 1920, passed the Council of the City of Dixon, on the 11th day of May, 1920, and approved by the Mayor of said City of Dixon on the 11th day of May, A. D. 1920, providing for the furnishing of labor and materials for and the construction of vitrified tile pipe sewer with manholes and house connection laterals in Seventh Street in said City of Dixon, along the center line thereof from the mainline heretofore constructed at the center of the intersection of said street and Van Buren Avenue, westerly to a point in said Seventh Street, 516 feet west of said Van Buren Avenue. The said manholes are to be constructed along the line of the sewer aforesaid and located as follows:

One at a point 300 feet westerly from Van Buren Avenue.

One at the westerly terminus of said sewer.
